GATEWAY-FREE TECHNOLOGY THAT IS CHANGING THE STANDARD OF LIGHTING CONTROLS

ONE SOLUTION FOR INTERIOR & EXTERIOR APPLICATIONS

Avi-on maximizes utility, reduces annual energy savings, productivity, safety, and convenience, while reducing installation and ongoing maintenance costs. By using software instead of re-wiring, Avi-on provides a flexible way to operate and reconfigure lighting projects.

THE REEVES COMPANY PARTNERS WITH AVI-ON LABS, INC!

The Reeves Company is excited to announce their partnership with Avi-On Labs, Inc, an industry leader in Bluetooth Lighting Controls. Available to our distribution partners in SW Washington and Oregon state.

www.avi-on.com

One solution for Interior & Exterior Applications:

No gateways!

No IT Network infrastructure!

No Cat5 cable!

No panels!

MEET THE TEAM: ALEXIS "LEXY" MARISCH, LIGHTING INSIDE SALES

Introducing Alexis "Lexy" Marisch!

Lexy began her career with The Reeves Company six months ago as their Lighting Inside Sales Rep. She appreciates the excitement of new opportunities, challenges to solve, and learning about the vast variety of lighting products the industry has to offer.

In her free time, Lexy loves to spend time with her son, family, and partner in crime. She enjoys gym time, cooking and baking, and the great outdoors.

Lexy has been a shining asset to The Reeves Company!
